

Swing Gates

Effectively keep people from crowding the service area.

Features & Benefits:

- Right and left gates form a double-gated entry/exit.
- Self-closing gates swing in both directions.
- Standard silkscreened messages are crisp and durable. Custom messaging is available.
- Made of sturdy 1/8-inch Sintra to stand up to heavy traffic and usage.
- Simple to install, works with all existing Beltrac queuing systems.
- Panel measurements: 30 inches wide, 12 inches high.
