| GONDOLA LINK	
Part Number	Description
80-PGL36	Links two Gondolas

Portable Gondola

Portable Gondola

NeXtrac® Portable Gondolas put your merchandise where your customers are. Lockable wheels keep merchandise in place, yet allow for instant mobility if needed. Use as a stand-alone display, make runs with 2 or more units, or seamlessly integrate into your checkout queue.

Also available in Gridwall.

NeXtrac® Merchandising

EASY-LOCK WHEELS

Features & Benefits:

- Large locking casters for mobility.
- One-inch slat spacing allows more merchandise per square foot.
- Modular design can be used stand-alone, in runs, or integrated into your checkout queue.
- Up to 600 lbs. load capacity.

Gondola Link
The clever extrusion of our Gondola Link slides into the post grooves to connect multiple Gondolas.

NeXtrac® Merchandising

Clip Signage for Slatwall Panels

Easily add signage or branding to the top of in-queue merchandising displays.
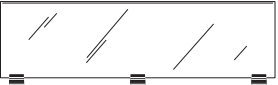

Features & Benefits:

- Easy to install. Just snap onto the frame and slide into position as necessary.
- Paper media can be easily changed.
- Many sizes to fit your message.
- Scratch resistent.
- Increase brand exposure to a captive audience.

Changing graphics is easy!

1. Remove the black plastic clip(s) and gently separate the edges of the acrylic holder, taking care not to open it too wide to prevent cracking.

2. Insert paper graphic and work it in between the acrylic.

3. Once graphic is positioned, replace the black plastic clips.

4. Snap the assembled sign frame onto a Hinged Frame Panel. To replace graphics, repeat as necessary.
